Manager Tells Of Loan Policy Of Branch Bank

J. P. Hagan, local manager of Bank of America, announces that his institution has undertaken an aggressive campaign to acquaint the customers and friends of Bank of America with the bank's lending policy.

This policy, as explained by A. P. Giannini, chairman of the board of directors, is to provide the soundest type of credit best suited to the need of every individual and of every established business no matter how large or small.

According to Manager J. P. Hagan, the policy itself is not new, but advantage has been taken of liberalized government regulations to broaden the loan services of Bank of America.

Financial observers have noted that the bank has substantially anticipated the recommendations as to lending policies advanced recently by Jesse H. Jones, chairman of the RFC.

In reviewing the wide range of loan services available for individuals, commerce and industry, Manager J. P. Hagen, pointed especially to plans which are particularly suited to the needs of business.

For large firms there is provided a convenient method of making long term amortized loans.

For small businesses, term loans are available in amounts from $500 to $5000, repayable in from one to five years, depending upon the circumstances. Primary purpose of these loans is to furnish working capital for established businesses, not to finance new ventures or liquidate past-due indebtedness to creditors. They do not replace ordinary seasonal financing, which will be handled as in the past.

ANNOUNCER SIGNED FOR COUNTY FIESTA

Announcement was made this week by officials of the event that Abe Lefton, world-famous horse show announcer and master of ceremonies, has been signed to appear at the San Mateo County Fiesta and Rodeo to be held in San Mateo Sept. 21-25. Lefton, who has emceed horse show events at the California State Fair, the Pomona Fair, Madison Square Garden and White City Stadium in London, is popular among sports fans throughout the West. He has recently been signed by the Gilmore Oil Company as official announcer.

Man Is Killed Beneath Train At San Mateo

Either falling off a freight train or while walking along the railroad right-of-way on the southerly San Mateo City limits, a man believed to be Roy Smith, about 30, San Francisco relief worker, was decapitated by a train early Wednesday.

The crew of a southbound train spotted the horribly mangled body lying beside the tracks and reported the grisly discovery to San Mateo police. Coroner William F. Crosby and the police theorized that Smith, as he was identified by a Social Security card in his pocket, might have been riding a freight when he fell asleep and tumbled to the ground and to his death beneath the train wheels, or else he was walking the ties and failed to hear the approaching train.

Rolison Carries South, Peterson North Peninsula

The Rolison-Peterson contest developed into an historic political engagement, rivaling in bitterness only the battle for the office of coroner. In the wake of both were libel suits.

The battle for the $6000 key position in the county charter government was titanic in its proportions—for San Mateo County—for Rolison, in losing, polled 14,455 votes while the victor amassed nearly 3000 more to administer his opponent a smashing defeat.

While the campaign tactics were more personal than those heretofore in use in the county, the battle was fought along traditional lines—north against south.

Rolison went out of his home township, the third, with a lead of 690 votes. He fought Col. Frederick Peterson fairly evenly in the latter's home township, the fifth, where Rolison lost by less than 150 votes.

The tide of battle was turned in the north end and in San Mateo, where Peterson forces gathered up a majority of 1337 votes in the city alone. The first township gave Peterson a 1910-vote nest-egg, and the coast contributed another 413 votes. The vote by districts:

TOWNSHIP TOTALS

First Township: Rolison 2812, Peterson 4722.

Second Township, Rolison 3518, Peterson 4478.

Third Township, Rolison 4517, Peterson 3827.

Fourth Township, Rolison 402, Peterson 815.

Fifth Township, Rolison 3192, Peterson 3334.

The McGovern-Crosby fight followed the trend of the executive campaign closely, differing principally in that Dr. McGovern fared poorly in Burlingame, Crosby's home town.

R. C. Bus Operator Buys Line to P. A.

Purchase of the Middlefield Rd. bus line, which operates between Redwood City and Palo Alto via Middlefield Rd., was announced Monday by Walter Vandervort, operator of the Redwood City Bus Line and former Burlingame bus operator.

The purchase was made from the estate of the late Walter Condon, former operator of the system.

Vandervort said that within 35 days he expected to have a new 21-passenger bus in service on the line. Several improvements in service and the schedule are contemplated by the new operator.

LONG LIVE THE REDWOOD

WASHINGTON (AP) — California's famous redwood trees grow to be 2000 years old. They reach a maximum height of 364 feet and the trunks grow to a 20-foot diameter. The National Park service says they once grew in many parts of the world, but are now found only in California.

City May Invite King and Queen To Linger Here

City Councilman Paul A. McCarthy Monday announced plans for a 1939 publicity scoop for Redwood City.

The county seat, accordng to his proposal, would invite the King and Queen of England to stay in Redwood City when they visit the 1939 World's Fair.

Councilman McCarthy explained that the royal couple might be housed in the $16,000 model home being planned by a chamber of commerce committee. They could dock the royal yacht in Redwood City's harbor for the duration of their visit without charge, he pointed out. Anyway, for an investment of three cents, what could the city lose, he asked?

City Manager C. L. Dimmitt received assurances that the council would support the plan to erect the model home for a five-month exhibition period next year. Cost of the lot was estimated at $3000, furnishings $2000, and salary for a hostess $100, leaving $10,000 for construction costs. The project must be underwritten for $4000 to insure the contractor against loss, it was pointed out.

The city would be asked to cancel taxes, provide free water, and maintain the lawns and gardens for the five-month period, it was stated.

Robbery Complaint Faces Burlingamite

Dep. Dist. Atty. Burress Karmel has issued a formal complaint charging W. D. Patton, 43-year-old Burlingame salesman, with the crime of robbery. Patton was arrested early Saturday for the Friday night robbery of the Del Monte Restaurant, South San Francisco. Patton, taken into custody at his home, was identified by witnesses as the man who held up Victor Massetti, restaurant cook, and who took $7 in cash.

Theaters Here Participating In New Contest

Redwood City's theaters have announced their participation in the nationwide National Theatre Movie Quiz Contest, in conjunction with the Fall season of bigger screen hits.

Manager Hal Honore' of the Fox Sequoia Theater, and Manager Al Ackerman of the Redwood Theater, after attending a convention of theater heads in San Francisco, returned armed with equipment, rule books, and enthusiasm, ready to launch the local participation in this unique contest in their theaters.

Leaders of the motion picture industry are highly optimistic for the success of this drive, and have enlisted every branch of the industry in its "pep" campaign.

Ninety-four productions, covering the features of nine movie companies for August, September and October, are listed in the first all-industry announcement ever issued.

Comprehensive preparations have been made, according to this announcement, to insure the quality of production.

Marshalling its greatest stars, several million dollars worth of story properties, approximately $50,000,000 worth of production, and an extra $4,000,000 for advertising, the film industry is prepared to prove, during the next three months, that 1938-39 will be motion pictures' greatest year.

The Fox Sequoia and Redwood Theaters, in advance of this product launching drive, have invested approximately $30,000 in new sound equipment in both houses, with new carpets in the Redwood Theater, new seats and furnace in the Sequoia, and with other general repair and improvement items running into several hundreds of dollars. This expenditure is a sign of the theater's confidence in increased business conditions locally, and makes for better entertainment conditions than have been enjoyed in years.

The launching of this "greater season" drive, is augmented by the announcement that $250,000 will be distributed among movie-goers, as prizes for participation in the "movie-quiz" contest, which opens today.

DENY CONTEST CLAIMS

Mildred J. Fellows and Mrs. Helen M. Nicholson late yesterday filed a general denial of the allegations in the contest of the will of the late Claude W. Fellows, insurance executive. The contest filed by the widow, Gertrude Fellows, alleged that Fellows had been subjected to "undue influence" by Mrs. Josephine di Martini of Menlo Park.

William Borah began the practice of law Lyons, Kas., in 1889.

'MOVIE QUIZ' PICTURE

The Fox Sequoia Theater opens its guns with a bang, "Movie Quizzically" speaking. "Racket Busters" and "The Gladiator," the two attractions for Sunday, Monday and Tuesday are two more "Movie Quiz" pictures. Tonight's attractions, "Mother Carey's Chickens" and "Little Tough Guy" are also in this list of preferred screenfare.

M. P. REJECTS PUBLICITY PLAN, HOLDS TAX RATE TO 45 CENTS

MENLO PARK, Aug. 30—Menlo Park's city council Monday refused a $500 advertising appropriation for San Francisco Peninsula Inc., and retained its present 45-cent basic tax rate for 1938-39. Favorable representations for the advertising fund were made to the council by Menlo Park business groups but it was agreed that no additions could be made in the budget without upping the tax rate for the coming year at least one cent.

Mayor James W. Cooper and Councilman Hugo May advocated the inclusion of the advertising fund at the expense of a tax raise, but Councilmen Henry Carroll and Harry J. Lusk stood firm against it, although the latter urged that money be raised by public subscription to permit Menlo Park's participation in the advertising scheme.

The budget anticipates revenues of $19,699.44 as against expenditures of $19,599.44.

Included in the new budget is an appropriation of $600 for the repair of Creek Dr. bordering San Francisquito Creek, whose banks have crumbled away in recent years.

Wednesday City Atty. James T. O'Keefe Jr. will confer with representatives of the Citizens' First National Bank of Los Angeles concerning the anticipated purchase of a city hall and recreational area site in the M. F. O'Dea tract, which it is proposed to annex.

O'Keefe was authorized to offer $1000 an acre for a maximum of seven acres, situated between 300 and 500 feet back from El Camino Real. The city has a PWA application now on file for a $11,500 grant to aid in the construction of a city hall; and a $15,000 bond issue for the hall will be submitted to the voters Sept. 27.

Toronto has 55 parks with a total area of 1,879 acres.

Liberal Policy On Local Bank Loans Explained

Commenting upon recent nationwide discussion regarding innovations in bank lending practices, J. E. Morrish, vice president of the First National Bank, pointed out today that ever since the bank was established in 1891 it has sought to give every legitimate banking facility to Redwood City.

Morrish referred to a letter recently sent to all banks by Orval W. Adams, president of the American Bankers Association, which said, "Where propositions are received which are apparently unbankable, let us explore every possibility of making them bankable," and explained that new types of deposit and lending services have been supplied by the First National Bank when they were needed by local people, business and industry.

"Our bank is as anxious to make loans as the local merchant is to sell his merchandise, because loans are a bank's stock in trade," said Mr. Morrish. "However, a bank must keep constantly in mind that its first duty is to its depositors. We must never lose sight of the fact that we are lending our depositors' money and have agreed to pay it back on demand. Therefore, we must be sure the loan will be repaid. We frequently receive applications for credit that cannot be granted in their original form; then we try to make it possible for the loan to be made in some other form and still reach the objective of the borrower."

Mr. Morrish disclosed that reports from all over the country say that general business has shown steady improvement during the past two months.

Dr. Paul Alexander's Brother Succumbs

Rites for William Stanley Alexander, San Francisco, who died Tuesday morning at St. Francis Hospital of a heart ailment, were held this morning at N. Gray and Co. parlors, San Francisco. Interment was private. Mr. Alexander was a brother of Dr. Paul Alexander, 29 Clinton St., Redwood City. He had been ill since June. Also surviving is his widow, Mrs. Belle Clark Alexander.

200-Year-Old Tree Falls Across Road

Believed to have been the largest tree of its kind in San Mateo County, a live oak five feet in diameter which grew alongside the old Portola Rd. near the Harry Hallett store, three miles from Woodside, fell Saturday evening "for no apparent reason," Engineer U. S. Marshall reported.

Crews from Marshall's road department labored from 9:30 p.m. Saturday till 6:30 a.m. Sunday to clear the road. The tree, estimated by Marshall to have been at least 200 years old, was so large that a special saw must be secured before the trunk can be cut up, he said. The trunk measured 16½ feet in circumference.

For the U. S. as a whole 56 per cent of the people live in towns and cities; in the South only about 33 per cent are city dwellers.

MENLO PARK NEWS NOTES

The big field day on the grounds of St. Joseph's Parochial School last Saturday was a very successful affair. The athletic program was enjoyed by over 200 spectators.

Mrs. Mary Clark, who has resided here for the past three years, passed away last Saturday after a brief illness at Los Angeles, where she went a short time ago. The remains were interred in the Presidio, San Francisco, on Monday. The deceased was the widow of an army officer. Her two sons, who survive here, are connected with the army.

Menlo Park appears to be a fertile field for the propagation of United States senators. The latest candidate, who may be elected to the upper house in the November election, is Sheridan Downey, the Democratic nominee. Menlo Park gave to the nation Milton S. Latham, Senator Stanford, C. N. Felton, Samuel M. Shortridge, and now Mr. Downey. The moral—those wishing to become senators should secure a residence in this community.

James Bageley, the political wiseacre, picked all the county winners of the late election. Bageley has an uncanny system of selecting the successful candidates in almost every contest.

The big vote received here last Tuesday by Jack Anderson for congress was a surprise. In some precincts he carried both the Republican and Democratic nominations. Usually Congressman McGrath gets a large vote here. It looks now as if Anderson will be the next congressman from the Eighth District.

Miss Nancy Lennes of Montana is here on a visit to her mother, Mrs. Ruth Campbell. The young lady is a recent graduate of the University of Montana, where her father, Nels Lennes, is a professor of mathematics.

Alumni of St. Joseph's School will conduct a rummage sale today and tomorrow in a vacant building on El Camino Real, Menlo Park, adjoining the Harms Drug Store.

Mrs. Margaret Hand Tattman is chairman of the committee in charge, which has collected a large stock of clothing and other articles for the sale.

'Y' Boys Speakers At Exchange Club

The program for Tuesday's Exchange Club program was furnished by the San Mateo County YMCA. Wilbur Doxsee, local committeeman for the Y, acted as chairman. T. W. Badley, executive secretary for the YMCA in San Mateo County, told the club members of the plans for this year's work. Thirty Y clubs are now operating in this community with plans for the organization of four more as soon as school starts. Badley stated that Redwood City ranked first in YMCA work in the county.

Sam Robbins and Fred Bottems, who were sent to the Y camp by the Exchange Club, thanked the members of the club for their assistance, and told them of some of the enjoyable times they had.

Main speakers were Dave West and Roy Coombes, who told of the YMCA tour they had taken this Summer to Berea, Ky., where they represented the Sequoia Hi-Y Club in a national congress of Hi-Y members.

Redwood City Favors Rolison, McGovern

Redwood City was one of four San Mateo County municipalities which gave Ernest A. Rolison a majority of its votes at the polls Tuesday. The others were Hillsborough, San Carlos and Atherton.

Victorious Frederick Peterson, who climaxed a two-year campaign for the office of county executive by first sponsoring an amendment to the charter to make the office elective, then winning the election by a decisive margin, carried Daly City, San Bruno, South San Francisco, Belmont, San Mateo, Menlo Park, Burlingame, Bayshore and Lawndale.

Redwood City gave Rolison 2127 votes to 1783 for Peterson.

How Redwood City voted on the other county offices:

Controller: Kane 2355, Stack 816, Byrnes 736.

Engineer: Grant 2013, Marshall 1037, Hendricks 894.

Coroner: McGovern 2028, Crosby 1781.

Treasurer: Sagehorn 2075, Crumb 1233, Stein 376.

Captain Cassell Proves 'Big Shot'

With resumption of pistol target practice for the San Mateo unit of the State Highway Patrol, Acting Capt. E. F. Cassell was recognized as the "big shot" today after compilation of August scores.

The squad members shot at the Camp Perry range in San Francisco, firing .38 caliber service revolvers at 25 yards, 10 shots at slow fire, 10 shots in 20 seconds, and 10 more rapid fire.

Of a possible 300 points, Captain Cassell scored 283. Next high was Patrolman Robert MacInnis at 252, third was Elmer Grandy at 244, fourth Sergt. Manfred Walzberg with 221 and fifth Walter Sequiera with 219.

One score fell as low as 68, and another was only 110, but Captain Cassell explained that it has been a long time since some of the patrolmen have fired their revolvers.

RADIO PIANIST KILLED WHEN STRUCK BY AUTO

Freak mishaps appeared to vie with traffic accidents for the grim honor of killing or injuring the most people on the Peninsula over the week-end.

A series of accidents, ranging from the fatal shooting in South San Francisco of Saturday to a highway crash in which an elderly man met death left three persons dead and a number injured.

The dead in San Mateo County were June Bruzzone, 13, the girl who was killed when she raised up into the line of fire of her brother Raymond's gun, and Anthony William Murphy, 61, of San Jose, attendant at the Veterans Administration Facility in North Palo Alto.

DIES ON CAMINO REAL

Killed in Santa Clara County Sunday was Bert Fitzgibbons, 50, of 668 Coleridge Ave., Palo Alto. He was fatally injured while crossing El Camino Real near the Cloverleaf Club near Mountain View. He died on the way to Palo Alto Hospital and his body was turned over to the Roller & Hapgood Mortuary in Palo Alto by Coroner C. C. Spalding.

Fitzgibbons, who lately had been a pianist on Benny Walker's radio program, Women's Magazine of the Air, was a song writer and old time Orpheum circuit comedian. His brother, Lou Fitzgibbons is an xylophone player. Bert Fitzgibbons was the original "Daffy Dill" and rated at one time along with Al Jolson and Eddie Cantor as a comedian.

Driver of the car which hit Fitzgibbons was John Henry Wallbring, 64, San Francisco. He was not held.

Dep. Sheriff Clement J. Nash, who investigated the shooting of the South San Francisco girl, said the mishap was "purely an accident," and that no charges would be placed against the boy, 11-year-old son of Mr. and Mrs. Charles Bruzzone of Baden Crossing.

54 TO DATE

Santa Clara County's traffic toll mounted to 54 deaths for 1938, four more than a year ago, compared to San Mateo Countys 32, four less than the 1937 mark to date.

Freak accidents in San Mateo County left the following injured:

William Brown, 37, San Francisco, who suffered head cuts when the trolley wheel fell off in Daly City as he was changing the trolley Sunday on the No. 40 Market St. Railway car, on which he is conductor. The wheel struck him on the head.

Guido Macilli, 7, Sharp Park, who swallowed three 3-inch nails when something startled him as he was helping his father build a fence Sunday at their Coastside home. He was being fed bread at Villa Sanitarium, Daly City, in the hope he would pass the nails normally.

James Peterson, 32, **Gloria Moraga**, 4, and her cousins, **Nina Moraga**, 5, and **Elicia Moraga**, 4, of San Francisco, who were hurt when part of a cliff below which they were sitting on the beach at Montara crumbled and fell on them. Members of a picnic party, Peterson suffered a back injury and a possible skull fracture when a huge rock hit him, and the children incurred cuts and bruises. The man was confined to Mills Memorial Hospital. Others in the party were unhurt. What caused the cliff to fall is not known.

William Seavey, about 40, of San Francisco, was taken to Mills Memorial Hospital suffering from a posisble hip fracture said to have been incurred when he fell off a table at a picnic. Semi-conscious, he was unable to give details of the mishap, according to nurses, who said he might be paralyzed as a result of the accident.

Ellis Tyrell, 70, also San Francisco, suffered a slight shoulder injury when he fell out of a tree, also at a picnic, it was reported at Mills Memorial Hospital, where he was taken.

Traffic accidents left their customary toll of week-end injuries.

Pauson Breaks Doors on Home To Serve Papers

Door-splitting tactics of a process server today had brought new headlines to the socialite divorce melodrama with Edward and Alice Pauson in the principal roles.

Mrs. Pauson was served with a summons to give her deposition this Thursday, but not until the process server, Bert Herring, and Pauson's attorney, Joseph J. Eullock, had accompanied the plaintiff to his Atherton home and made forceful entry.

The process server had been denied entrance to the Pauson home. Late Saturday he returned with Pauson and the attorney.

B. J. Perry, Redwood City fuel and feed merchant and family friend, answered the doorbell and directed the trio to the rear entrance.

Herring, finding the door locked and getting no answer to knocks, slit a screen over a kitchen window in the home and entered. Followed a smashing attack on three upstairs doors—all locked—as Herring sought to serve Mrs. Pauson.

Two bedroom doors and a bathroom door fell before Herring's pick axe before Mrs. Pauson and Perry's wife were found. Herring was about to serve Mrs. Perry with Mrs. Pauson's summons when Pauson himself corrected the error.

Atherton police arrived on the scene, but retired when Pauson maintained his right to chop his way into his own home.

Atty. Edmund Scott, associated with Nat Schmulowitz in representing Mrs. Pauson, said she would file an answer to Pauson's complaint which would not only deny but disprove Pauson's charges. He pointed out that both Mr. and Mrs. Perry were at the Pauson home when the summons was served.

Morcombe of San Francisco, editor of the Masonic World.

The five oldest past masters of Redwood Lodge were also introduced and gave short talks: John W. Poole, C. G. Lambert, R. W. Cloud, E. H. Werder and J. E. Ensor. William A. Sherman of San Francisco, a past grand master, was also present for a short time. Edward P. The entertainmer was arranged by Karl Eber, a Mason from San Francisco. The decorations for the dinner tables were made by Mrs. Woodie La Dieu. At each place was a blue nutcup with a Masonic emblem in gold brilliants on it and the centerpieces for the tables were "75th anniversary" in blue and gold and brilliants. The ice cream dessert also had a 75 imprinted in it.

Fiesta Display Voted Only After Council Dispute

Redwood City's participation in the 1938 Floral Fiesta was assured today, but only after the $50 appropriation for a booth at the annual county flower show threatened to split the city council Nonday night.

Councilman Paul A. McCarthy first argued that the appropriation be denied.

"The fiesta should be self-supporting by now," he declared. "It should be able to get along without our $50."

He complained that an excessive amount was being spent for the management of the fiesta, and agreed to vote for the appropriation only on the express stipulation that the management be warned that the money will not be forthcoming next year if the city does not receive more favorable treatment.

Location of the city's booth at the 1937 fiesta was unfavorable, McCarthy contended, and the city received little or no benefit.

"It would take $500 to make an impression at the fiesta," countered Councilman Evans A. Fletcher.

Councilman Harold T. Anderson declared that for so small a sum the county seat should be represented along with other Peninsula communities. He was supported by Councilman Robert N. Jones. The vote was unanimous, although McCarthy requested that the fiesta management be advised that there had been a division of opinion.
